

Deadline for Submission: December 31, 2016

The Homeowner's Directory is published by an independent publisher. Participation is entirely voluntary and the Castle Pines Homes Association does NOT provide any resident information to the publisher. As a matter of policy the CPHA never releases homeowner information to any outside organization or individual. **It is the Resident's responsibility to participate in the directory and to provide the correct information. In addition, current directory listings will CARRY OVER to the new directory unless YOU notify the publisher of a change.** The Homes Association is not responsible for entries or omissions in the directory. Public county records are utilized by the publisher. Although the publisher checks the public county listings against county transaction records and phone company records; divorce, birth and death records are not monitored by the publisher. If any of these events have altered your listing, or you wish to be removed from the directory, please notify the publisher. For more information, or if you have a business that you wish to advertise in the directory, please contact Sponsored Publications directly. The directory will be mailed to all homes in January. The CPHA kindly requests when you receive your directory you do not distribute resident information to outside entities or utilize the information for commercial purposes.*
