Village Lakes Fitness Center

As a resident you have access to a fitness center right here in the neighborhood. The Village Lake Fitness Center is located less than 1 mile inside Gate 4. Please visit Emergency Services to obtain an entry card for the Fitness Center. The facility is open from 4:30am to 10:00pm. This is an adult only facility (18 and over; 16 and 17 accompanied by an adult). The Fitness Center also features an adult only lap pool and hot tub. The pool

is open from Memorial Day through September and has the same hours as the Fitness Center.

TRAILS

There are nearly 11 miles of trails within the Village. The types of trails differ: some are hard surface asphalt or concrete paved trails; others are composed of loose recycled asphalt or gravel; and a few others are rustic nature trails. In addition to normal pedestrian traffic, bicycles are permitted on the Village trails. Horses and motorized vehicles or scooters are not permitted on any of the trails.

Stop by the CPHA office during regular office hours to pick up a full-size color copy of a map of the Village. Or visit the “Maps and Trails” link on the CPV website to download a copy.

POCKET PARKS

There are three small playgrounds, also known as pocket parks, inside the Village. On the north side of the Village there is **Equinox Park** located on Country Club Parkway between Anaconda and Equinox. **Summit Park** is located on Country Club Drive north of the Summit Club pool and sports field. And on the south side is the largest playground located at the **Canyon Club**.

We have installed several doggie waste stations around the Village. In an effort to maintain the beauty of our natural community, we request that residents clean up after their pets and dispose of the bag at their homes. Together we can keep our community areas clean. Download a map of the pet station locations from the CPV website on the Maps & Trails page.

CPV SWIM TEAM

The CPV youth swim team (Stingrays) is made up of residents from the age of 5 to 18. The team practices daily at the Canyon Club starting in June, and competes against other local swim teams throughout the summer. Click on the swim team link on the Canyon Club page of the CPV website for more information.

TENNIS

Castle Pines Village has a very active tennis community. The Tennis Complex is located adjacent to the Canyon Club pool, playground, and sports fields. It comprises 4 courts, a practice court with backboard for individual practice, and a ball machine which can be checked out at the Village Lakes Fitness Center. An on-line court reservation system allows residents to reserve court time. The Tennis Activities Group (TAG) organizes and coordinates tennis activities/programs such as men’s and women’s competitive teams, mixed doubles teams, mixed doubles socials & children and adult lessons and clinics.

The TAG also maintains a list of Village residents interested in participating in tennis activities. To have your name included on the list contact Larry Bundy at lbundy@msn.com. For more information on the tennis programs contact Jerry Eddy at Jerry@hallack.com. Additional information is available on the CPV website.

NEIGHBORHOOD COMMUNITY ROOM

The Community Room at the CPHA building (just outside Gate 4) is available for residents to reserve for a wide variety of functions and events. The maximum capacity is 100 people, and may be scheduled for any day of the week from 7 am to 11 pm. Please note that the room is not available to outside organizations without a resident sponsor. A refundable security deposit is required and a nominal rental fee may be charged depending upon the nature of the event.
