

Mutt Mitt Map

MUTT MITT LOCATIONS—DOGGIE WASTE BAG STATIONS

Please help keep our trails and open space beautiful and safe by cleaning up after your dog. At different locations within the Village there are "Mutt Mitt" stations with complimentary waste bags and dog waste disposal cans. Please be courteous to your fellow neighbors by cleaning up after your dog, and please do not leave waste bags on the ground, on the trails or in any of the golf course waste cans. Village Covenants also require all dogs to be on leash. Thank You!
